Engines and Accessories purchased by Boatbuilders are for the sole intent of installation in a new boat according to MerCruiser's technical specifications. Installing these components in an unapproved configuration could result in a warranty voidance.

Pricing Notes:

Prices do not include any Rigging. Overpack should be ordered separately.

Specifications and prices are subject to change without notice.

Seawater intake components (seacock, valve, barbed fittings, ...) are not included

Notes:

Non-ECT engines are not sellable on recreational Boats for Europe and USA

For Commercial application to be check according local regulation

RCD II for ECT version only

BSO Certification on specific ratings only - Please check for approved Ratings for Single and Dual installation

EPA certification on ECT version only

Check available configurations on latest updated file "MerCruiser Salescode Listing" file
